Subject: Support for Traffic Signs at Uncontrolled Montara Intersections

We unanimously support and endorse the Feb. 11, 2022 request of DPW for Traffic Signs at five currently unsigned intersections in Montara:

5th and Le Conte

5th and East

Birch & Franklin

Acacia & Franklin

7th and East

There is strong community sentiment for increased safety for school children at these intersections with limited visibility and significant traffic. Adding traffic signs would improve pedestrian and bicycle safety.

Thank you for your timely action on this request.
