Dear San Mateo Community Members,

I am excited to launch “Community Advisors for Responsible Engagement” (CARE). I encourage you to apply and to help spread the word.

The CARE program will provide a consistent opportunity for my leadership team and me to engage with individuals, small businesses, and community-based organizations. The CARE program will enable community members to hear about ongoing initiatives, exchange ideas, discuss specific concerns and make the San Mateo County Sheriff's Office more accessible to the various communities we serve. This will help us create innovative solutions, evaluate effectiveness, and create a sense of common purpose.

The CARE program consists of three ongoing community advisory forums with fifteen people in each; one for North County, one for South County, and one for Coastside. CARE meetings will take place once per quarter. Volunteers serving in the CARE program are expected to dedicate up to five hours per month. The application deadline is Feb 14th, 2023 by 5 pm.

If you are interested, **you can find the application form by clicking [here](#). To access the application in Spanish, click [here](#).** If you have any questions about the program, please email: SheriffCorpusCare@gmail.com

Thank you for helping make our community stronger and safer.

Best Regards,
Sheriff Christina Corpus
