

Draft Discussion Outline for MCC Retreat

- A. Opening Comments by Supervisor Mueller (if he desires)
- B. Framing Comments & Concerns by each Council Member
- C. Communications Protocol - Working with the County & Ourselves
 - Who calls Ray/Gina/Mike when and why
 - Who logs issues where
 - Who tracks the issues for the MCC
 - Who reports on issue status/progress when/where
 - Who reports to MCC on County activities of note to MCC
 - How to sponsor an MCC agenda item; what to prepare, when
 - General conduct of MCC meetings
 - Outreach to the Community: for engagement and for new membership
 - Emergency communications - who/what/where/when/how
- D. Some observations which could be discussed:
 - 1. MCC has no staff, yet population exceeds HMB
 - 2. HMB semi-cooperative, depending upon the issues
 - 3. Perception: Midcoast is underfunded compared to tax revenues
 - 4. HMB lawsuit is hampering SAM / safety
 - 5. Telecommunications report - follow-up and funding required
 - 6. Stormwater report - process similar to telecomm; study required
 - 7. Fiscal un-sustainability in several dimensions - ?Billion in infrastructure deficits compared to ?how much? Spent on homeless and new housing?
 - 8. Water supply / security threatened
 - 9. Cypress Point - infrastructure, opportunity costs, hazards created
 - 10. Evacuation is still a disaster
 - 11. Wildfire Management - follow-up and funding required - report needed
 - 12. Cover each of the other infrastructure issues briefly: concern/status/work plan
- E. Presentation Concept: Single Subject Slide Shows (S4)
 - solicit a single subject slide from members and residents
 - package into a slide show for the meeting
- F. Follow-up:
 - create reports by topic area, as done for telecommunications
 - create letters by issue/request
 - create database of issues and requests, usable by MCC and County staff
 - produce reports on new, changed, overdue issues each meeting or month.
