

Notes for MCC Meeting October 25, 2023

Education, Enforcement Removes Guns from People Under Restraining Orders

- The County [provided an update](#) on a targeted effort to get firearms out of the hands of people with domestic-violence, gun-violence and certain other civil restraining orders against them.
- A total of 168 firearms – 67 rifles or shotguns and 101 handguns – were surrendered to law enforcement or federal firearms licensed dealers in compliance with court orders.
- The Gun Violence Prevention Program targets a gap in California’s efforts to reduce gun violence: while many laws are on the books, little funding often goes toward enforcement.
- The Board of Supervisors in October 2022 pledged \$2 million over two years to launch the local effort.

Flu Clinics and COVID-19 Vaccination

- County Health is recommending that everyone who is eligible get the seasonal flu vaccine and the updated COVID-19 vaccine. Vaccines are available from health care providers and local pharmacies. Use [MyTurn](#) to find a location near you.

Join a Public Forum on Community Health

- The next step is virtual kickoff event to share findings from the community forums, engage in a process to identify top priorities, and begin a framework for developing the community health improvement plan.

The meeting will be held on Wednesday, Nov. 1, from 5 to 7 p.m. via Zoom. [Use this link](#) to participate in the meeting.

- For more information, visit the [Community Health Planning](#) page or contact Deandra Lee in Public Health, Policy and Planning at 628-222-3023 or DLee1@smcgov.org.
